Local Author Writes Character Values with a Biblical Worldview – Wins Many Accolades

Character counts! This message is echoed by parents and teachers alike. Adventures of the Sea Kids series has won 23 awards and counting!

GOD’S EASTER MIRACLES is the newest release in the series. “Such a great story! Not only exhibiting God’s grace and Jesus’ sacrifice, but teaching little ones to be like Jesus, and to be kind to their friends! My grandson loves this book!” R. Maranges

Unique stories, showing children in tangible ways how they can be like Jesus, and each book includes a bonus of a **Christian symbol hidden in every picture** for the children to find. “I highly recommend this series. It is an excellent tool to help children build a strong relationship with Jesus and learn to show love and acceptance for others.” – Dr. Mary Drabik, Doctor of Christian Education.

About the Author:

Lee Ann Mancini received a Masters in Christian Studies from Trinity Evangelical Divinity School, and a Masters from Knox Seminary. She is currently an adjunct professor at South Florida Bible College and Theological Seminary, Deerfield Beach, Fla. Lee Ann speaks to women groups regarding the redemptive power of the gospel represented through the types of brides of the church. Married with two children, Lee Ann loves to read, jog, and teach the Word of God.
