

# Your Resource for Witnessing to Muslims

## *Islamic Studies*

Kent A. Philpott

What should the Christian know about Islam? *Islamic Studies* prepares students in group, class settings, or privately to know all the essentials of Islam's theology, history, rituals, tendencies, and culture for adequate interaction with Muslims. Knowing the differences between Islam and Christianity is crucial for effective witness. The reader will gain an understanding of what causes radicalization and what ex-Muslims say about the need for reform. With a 25-page glossary and annotated bibliography, research time will be sharply cut. This is what you need to know!
